OUTREACH: First Shift trains medical providers to support their pregnant patients' health at work by more effectively documenting the need for leave and accommodations.

Because of this outreach, First Shift was able to assist **Monique** and her midwife in drafting a note to her employer for accommodations which reduced her risk of pre-term labor due to complications in her pregnancy.

Here is what Monique said about our services:

"Thanks to the advice I received from First Shift Justice Project, I now understand rights that I was not even aware that I had."

DC OHR GENDER EQUALITY CAMPAIGN: Join us for the TEDxMidAtlantic salon EVE: Everyone Values Equality, featuring speakers with fresh perspectives on reinventing the status quo and achieving gender equity, including **Neera Tanden**, President of the Center for American Progress, and **Brigid Schulte**, author of The New York Times bestseller *Overwhelmed: Work, Love, and Play When No One Has the Time*.

Presented by TEDxMidAtlantic in partnership with the District of Columbia Office of Human Rights and community partners, including First Shift Justice Project!
