## JUSTICE PROJECT

### **RUN LIKE A MOTHER!**

First Shift congratulates and offers its sincere gratitude to runners Andrew Pinneke, Martha Katz, Joe Katz, Samantha Beckett and Laura Brown, who "ran like Mothers" in the Baltimore Half Marathon on Saturday for First Shift Justice Project. Together, with the support of their sponsors, we raised almost \$5000 in this campaign - and we are still receiving donations! See their victory pictures below!

### **National Work & Family Month Challenge Grant Campaign!**

Now you have an opportunity to contribute! First Shift has been offered a donation of \$10,000 if it can raise an equivalent amount - we have earned \$8000 toward that goal and only have \$2000 to go! You can help us raise that last 20% in the next 10 days!

Over the next 10 days we will profile different elements of the work we do at First Shift and the clients we serve. Join us in serving future clients through your financial support! We are counting on you!

If you recently contributed to First Shift through the Run Like a Mother campaign, consider this an education about the great organization you are supporting!

Thank you!
