

First Shift is hiring! Through a generous grant from the **D.C. Bar Foundation**, First Shift will be able to hire a part-time attorney to better serve its Spanish speaking clients! This attorney will provide education and legal assistance to Latinas who work and live in the District, enabling First Shift to develop and strengthen partnerships with the many organizations across the city who provide medical care and other services to Latino families. You can access the full posting [here](#) and on our website: www.firstshift.org. Help us spread the word!

Yes, you heard that right - grant! This spring, First Shift is the recipient of its first grant funding.

The **D.C. Women's Bar Association Foundation** has also awarded us a generous grant to continue to build our program and assist more low-income mothers in advocating for themselves to maintain their employment.

First Shift will receive this grant at the WBA Foundation's 7th Annual Grant Awards Reception next week!

We are so grateful to these foundations who will be partnering with us over the next year to support us in fulfilling our mission!

Help us maintain this momentum!
