

We present to you . . . two GREAT opportunities to support First Shift!

BACK TO WORK AFTER BABY!

Our colleague in parenting, Lori Mihalich-Levin, has written a book about how to take care of your baby, keep your job, and maintain your sanity - all at the same time! It's a great book that fills in the information gap for a time in a working mother's life during which much more information and support is needed!

The book goes on sale starting today and a portion of the proceeds will be donated to First Shift!

Maybe it isn't relevant to you . . . but perhaps you know someone for whom this would be a welcome gift! [Buy it here.](#)
