

Three more days 'til we RUN LIKE A MOTHER!!

The race day t-shirts have arrived and we are ready to go! Thanks to [No Sweat Apparel](#) for supplying t-shirts made and printed by union labor.

Almost 20 runners will gather at West Potomac Park this coming Sunday morning for the [Veterans' Day 10K](#) to raise money in support of low-income working moms in the D.C. area!

You can contribute to the effort - click the button below to donate! We'd also love to have you as spectators on Sunday morning (what else could you possibly have on your agenda at 8 a.m. on Sunday?! :))

Thanks to all who are running, all who have already contributed, and to our sponsors!
