

First Shift seeks a Law Clerk for Summer 2019

First Shift Justice Project is a legal services organization that helps working mothers in low wage jobs assert their workplace rights to prevent job loss.

To accomplish this mission, we educate women about their workplace rights and we train the staff of organizations that provide prenatal care to pregnant women, infant care for their babies, and other supportive services. We counsel women in low-wage jobs regarding pregnancy and caregiver discrimination; accommodations for pregnancy and breastfeeding; and access to paid sick days and family medical leave. Finally, we represent women whose caregiver rights in the workplace have been violated.

First Shift also provides limited helpline services to support low-income women in exercising their right to be free from sexual harassment in the workplace.

We are happy to work with bright and motivated students and recent law grads who are passionate about our issues! (Note: Funding options are particularly limited for recent grads.) Our law clerks conduct legal research; draft legal memoranda; meet with clients; and help us reach out to organizations and their clients who might benefit from our services.

Our ideal candidate has demonstrated interest in strengthening women and families, strong writing skills and experience working directly with clients. Fluency in Spanish is highly desired. Law clerk positions at First Shift Justice Project are unpaid; however, we will work with our law clerks to secure any funding available from other sources. Work hours are flexible; open to considering part-time applicants.

Interested students should send a cover letter and resume to Laura Brown, lbrown@firstshift.org. Applications will be considered on a rolling basis until the position is filled.
