

FIRST SHIFT JUSTICE PROJECT RECEIVES CAPACITY BUILDING SERVICE GRANT

Fair Chance D.C. has selected First Shift Justice Project as one of its six Praxis Partners for 2020. For twelve months beginning in June 2019, First Shift's Executive Director and Board will engage with Fair Chance's Capacity Building Specialists to increase First Shift's organizational effectiveness across 8 competency areas, toward the goal of sustainability and better services to D.C. families. This rigorous program requires a minimum time commitment of 8 hours per week on the part of the Executive Director as well as the consistent engagement of the First Shift Board! This amazing opportunity could not come at a better time for First Shift and we are ready to dive in and take advantage of all it has to offer!
